#### **Diversity, Equity & Inclusion Statement**

It's a universal truth that food brings people together, and our diversity of tastes allows us to learn, grow and become closer to each other's cultures. For GEDP, EFM and EPM, that diversity comes from a group of entrepreneurs, farmers, and chefs who have at least one thing in common – passion for their craft.

Our shared home, Easton, has a storied history of uniting the community around food. Easton also offers a smorgasbord of arts, architecture, music, festivals, and a landscape packed with scenic views and activities. We're united in our love for our home, its residents and visitors. We commit to aligning our culture and practices to be a beacon of diversity, equity, and inclusion for all people.

GEDP, EFM and EPM are equal opportunity organizations. We do not discriminate against any applicant, vendor, employee, partner, or customer because of race, color, sex, age, national origin, religion, disability, sexual orientation, gender identity and/or expression, veteran status, or any other federal, state or local protected class.
